Smile with confidence with Smilepod in London

One of the best ways to show you are happy, confident and even healthy is to expose a glowing smile. Smilepod in Covent Garden is the place to assist anyone in enhancing a beautiful smile. The 'walk in' facility is ideal for day-to-day activities including job interviews, dates or preparing for a holiday. The selection of treatments range from quick 15 minutes to a more detailed and simply amazing 'High Gloss Diamond Polish' which is perfect for rediscovering your smile and overall confidence. This treatment maintains healthy teeth and gums with special attention to cosmetic appearance. The stain removal is one of the best parts before a high gloss is added restoring natural gleam and whiteness whilst avoiding that hideous unnatural white that you see so often.

Carry yourself with confidence with Segreto London's new Kink Excite range

There is something liberating about wearing a t-shirt under a suit- less formal than a shirt tie combination yet formal enough to look confident and sexy. Segreto London know all about looking sexy; their debut range 'Kink Excite' explores various looks in fine Viscose or Cotton allowing a guy to lift his head high, look great and walk into either a meeting or night club and turn heads for all the right reasons.
